

Fools Rush In

Dave Dudley

Fools rush in where angels fear to tread
And so I come to you, my love my heart above my head
Though I know there's danger there
If there's a chance for me then I don't care

Oh, fools rush in where wise men never go
But wise men never fall in love so how are they to know?
When we met, I felt my life began
So open up your heart and let this fool rush in

When we met I felt my life began
So open up your heart and let this fool rush in
