

# I Feel A Cry Coming On

**Dave Dudley**

Oh she just walked out the door and I know she won't be back an  
ymore

The echo of her footsteps have gone and now I feel a cry coming  
on

Her picture on the table smiles at me the sweet tender love is  
there to see

Yesterday that sweet love was my own but now I feel a cry comin  
g on

Yes I feel a cry coming on and for the first time in my life I'  
m all alone

Everything I love is gone and now I feel a cry coming on

Yes I feel a cry coming on...
