

I'll Be Moving Along

Dave Dudley

I'm letting go up what used to be when there was love just you
and me
It's like you said it all went wrong what's left to say I'll be
moving along
Too bad too bad for me for you we planted love seed but nothing
grew
Too soon to know where I belong can't stay here I'll be moving
along

I'll be moving along it wasn't all bad the memory makes me a li
ttle bit sad
It had to be said I wasn't that strong you found the words I'll
be moving along
Too bad too bad for me for you...
