I'll Be Moving Along

Dave Dudley

I'm letting go up what used to be when there was love just you and me $\$

It's like you said it all went wrong what's left to say I'll be moving along

Too bad too bad for me for you we planted love seed but nothing grew

Too soon to know where I belong can't stay here I'll be moving along

I'll be moving along it wasn't all bad the memory makes me a li ttle bit sad

It had to be said I wasn't that strong you found the words I'll be moving along

Too bad too bad for me for you...
