

Just Call Me Lonesome

Dave Dudley

Why must I love the heartless one who'll never know the harm she's done
Though love is blind I should have known just call me lonesome
from now on
I climb the stairs up to my room but there's no one to meet me
in the gloom
The silence tells me she is gone just call me lonesome from now
on
These walls will hide me when I cry and I hope that heaven lets
me die
What good is life when hope is gone just call me lonesome from
now on
Just call me lonesome from now on
