

Babyface

Dave Edmunds

Babyface,
You've got the cutest little babyface,
there is no other who can take your place

Babyface,
my poor heart is stumbling,
you surely started something

Babyface,
well I'm in heaven when
I'm in your woman braise*brace

There i don't need no sure,
because i feel in love,
with pretty babyface

Babyface,
You've got the cutest little babyface,
there is no other who can take your place

Babyface,
my poor heart is stumbling,
you surely started something

Babyface,
well I'm in heaven when
I'm in your woman braise*brace

Now i don't need no sure,
because i feel in love,
with pretty babyface

Now i don't need no sure,
because i feel in love,
with pretty babyface
