

# Breaking Out

Dave Edmunds

In a...\*

And now i feel i can go on

I knew it all alone,  
the party 's over ,  
it's been fun

If it's true what the people say,  
And it won't take your breath away  
To know one day soon I'm gonna be breaking out

And now can you come pain ,  
a one way ticket to another game

Your feelings never change,  
A can slow motion and pack again

If it's true what the people say,  
And i won't take too much of your day  
It's just a one day soon I'm gonna be breaking out

breaking out  
breaking out  
breaking out

breaking out  
breaking out  
breaking out

Our feeling never show,  
it's born to be since it's before it's grown

And as you walk alone,  
remember me, I was the one

If it's true what the people say,  
And it's time for the winners to pay  
I believe I'm gonna be breaking out

breaking out  
breaking out  
breaking out

breaking out  
breaking out  
breaking out

Emotion \*there is\* change,  
they say one day we'll bring the rain

How can it be the same  
One day you never know my name

If it's true what the people say,  
And it's time for the end of the play  
No girl in coma I'm gonna be breaking out

breaking out  
breaking out  
breaking out
