

## Readers Wives

Dave Edmunds

Well If you like your women short or tall  
You like your girlfriends big or small  
Just cruise on down to the corner stand  
Give your money to the man!  
A mugger carries a couple of knives  
All I wanna do is look at readers wives

There's big blonde Betty, really nifty  
She'll do a coach party for twelve dollars fifty  
\*\*\*\*\* look far and near  
For little Maria who'll do it for a beer  
The old man watches and the young man jives  
All I wanna do is look at readers wives

Some girls look like their just plain gifted  
Others look like they're trained weightlifters  
Little one stands at four foot three  
While the big ones start at 44D

Quick, give me some coffee 'fore the police arrive  
I only came out to look at readers wives

So If you like your women short or tall  
You like your girlfriends big or small  
Just cruise on down to the corner stand  
Give your money to the man!  
A mugger carries a couple of knives  
All I wanna do is look at readers wives

Readers, readers wives  
Readers, readers wives  
Readers, readers wives  
Readers, readers wives  
Readers, readers wives  
Readers, readers wives  
Readers, readers wives  
Readers, readers wives  
The old man watches and the young man jives  
All I wanna do is look at readers wives
