5. The power of your kiss
Your words your lips
There's not a gun to your head
You're gonna die before you're dead
It's not sad when you're gone
But when the light's still on
And your wings won't let you fly
Don't be dead before you die

6. Hunger 'til fed
Give love instead
And when it gets inside
Watch the dead man squirm
Above all things
If kindness is your king
Then heaven will be yours
Before you meet your end

R: Open up your head... (2x)
