The Last Stop

Dave Matthews Band

Fire the sun is well asleep Moon is high above Fire grows from the east How is this Hate so deep Lead us all so blindly killing killing Fools we are If hate's the gate to peace This is the last stop For raining tears War The only way to peace I don't fall for that Raining tears You're righteous, so righteous You're always so right Go ahead and dream Go ahead believe that you are the chosen one Raining tears Oh no Gracious even God Bloodied the cross Your sins are washed enough Mother's cry "Is hate so deep Must a baby's bones This hungry fire feed?" As smoke clouds roll in The symphony of death This is the last stop Scream Right is wrong now Shut up you big lie This black and white lie You comb your hair to hide Your lying eyes You're righteous, so righteous You're always so right But why your lie Go ahead and dream Go ahead believe that you are the chosen one This is the last stop Here there's more than is showing up Hope that we can break it down It's not so black and white You're righteous You're righteous You're righteous You're always so right There you are nailing a good tree Then say forgive me, forgive me Why Raining tears This is the last stop Here there is more than is showing up Hope that we can break it down Titten z pisnicky-akerdy cz and white
