Virginia in the Rain

Dave Matthews Band

```
All your friends are playing with fire
But you never know until you try
Come on lets go there, lets jump right in
We will rope swing to river swim
Virginia naked in the rain.
You make me feel like a kid again.
Don't want to say goodbye to you.
Summer always ends too soon.

Whatever you want, I will give you that
Tell me we won't grow old to fast
Let's make believe this is gonna last...Forever
Don't seem long enough...Forever
Don't seem long enough...

I will capture your flame
Take a rocket ship to the moon and back
We'll build castles in the riverbank
Don't ever grow up to fast
Turn up the music and dance
We'll turn up the music and dance

Whatever you want, I will give you that
Tell me we won't grow old to fast
Let's make believe this is gonna last...Forever
Don't seem long enough...Forever
Don't seem long enough...

I will hold you up over my head
Spread your wings and fly through the air.
Baby don't grow up too fast.
Let's turn up the music and dance, dance, dance
Baby don't grow up too fast.
Let's turn up the music and dance,dance, dance
Virginia naked in the rain
You make me feel like a kid again.
Don't want to say goodbye to you.
The summers always over much too soon...

Whatever you want, I will give you that
Tell me we won't grow old to fast
Let's make believe this is gonna last...Forever
Don't seem long enough...Forever
Don't seem long enough...

I will hold you up over my head
Spread your wings and fly through the air.
Baby don't grow up too fast.
