

Grab A Gun & Hide Your Morals

Davey Suicide

We hit the ground and our blood starts pumping
Stand up to fight and our heartbeats jumping
They love to hate the things they cannot understand
They'll burn the flag before shaking the devils hand

GRAB A GUN AND HIDE YOUR MORALS
GRAB A GUN AND KILL EVERYONE

We get attacked for what we love and how we look
Stuck on the cover they refuse to read the book
Blue collars say one day he's gonna save us all
Red, white & bruised, we'll save ourselves, we are forever strong

GRAB A GUN AND HIDE YOUR MORALS
GRAB A GUN AND KILL EVERYONE

Murder, war, rape, riots, race, and poverty,
uncle sam, mainstream, mickey mouse, fallacies
newsflash, stock crash, freedom of the press
pray to propoganda, like a bullet in the chest

GRAB A GUN & HIDE YOUR MORALS
GRAB A GUN & KILL EVERYONE
