

# No Angel

Davey Suicide

Would you take me, if only for one night?  
I'll be gone by sunrise, live forever in your mind  
Would you face me, look me straight in the eyes?  
Swallow all of your pride, just to take me, for one night

It's a small price to play  
Come and take the best of me

She's got the eyes of an angel  
I've got the thought of the devil  
I've fought off all i can  
Broke the halo deep within  
She's got the eyes of no angel

Is it a far cry, renting space in my mind?  
When i close my eyes, i think of you all the time

Nothing's standing in the way  
Come and take the best of me

She's got the eyes of an angel  
I've got the thought of the devil  
I've fought off all i can  
Broke the halo deep within  
She's got the eyes of no angel

I'll put you in my rearview  
You're the page, i'll turn back to
