One More Night

Davey Suicide

Here we are again Can I beg you to breathe in It's time for you to go Can I come in the place that I wasn't invited I can save you Remember when we were young All the things we've done The warmth of your skin Lying next to me God take the blade out from inside I'd sell my soul just for one more night with you With you I'd kiss the devils hand for one more night with you With you Turn around, slow down Why didn't you notice Notice me at all Still miss the scent of you And these feelings inside me I can save you God take the blade out from inside I'd sell my soul just for one more night with you With you I'd kiss the devils hand for one more night with you With you God please are you listening to me I might just fall asleep forever I'd sell my soul just for one more night with you With you I'd kiss the devils hand for one more night with you With you I'd sell my soul just for one more night with you With you I'd kiss the devils hand for one more night One more night, one more night I'd burn, for you I'd burn
