

Complain

David Archuleta

How many times have you said
If I just had one more
Dollar in my pocket
Know that I've felt the same

How many times have you dreamed
That you could pack up and leave
Just run away from the trouble
Baby, I can't complain

'Cause I don't always get everything I wanted
Doesn't turn out just the way I thought it
All should be
Baby, I can't complain

No more wasting my time looking in the mirror
Wishing my life was a little bit clearer
No way
Baby, I can't complain

No way, no way, no way
Baby, I can't complain

Have you ever believed
That it's just not your day
Like the world is against you
You know we've all felt that way

So far away from my home
And everything that I love
But as long as I'm breathing
Baby, I can't complain

'Cause I don't always get everything I wanted
Doesn't turn out just the way I thought it
All should be
Baby, I can't complain

No more wasting my time looking in the mirror
Wishing my life was a little bit clearer
No way
Baby, I can't complain

No way, no way, no way
Baby, I can't complain
No way, no way, no way

Any time, any minute now
We could fall, it could all crash down
But I'm not gonna ever live that way
No way

'Cause I don't always get everything I wanted
Doesn't turn out just the way I thought it
All should be
Baby, I can't complain

No more wasting my time looking in the mirror
Wishing my life was a little bit clearer
No way
Baby, I can't complain

No way, no way, no way
Baby, I can't complain
No way, no way, no way
Baby, I can't complain
