

# When You Believe

David Archuleta

Many nights we've prayed  
With no proof any one could hear  
In our hearts a hopeful song we barely understood  
Now we are not afraid  
Although we know there's much to fear  
We were moving mountains long  
Before we, we knew we could, oh

There can be miracles  
When you believe  
Though hope is frail  
It's hard to kill  
Who knows what miracles  
You can achieve  
When you believe  
Some how you will  
You will when you believe, ooh

In this time of fear  
When prayer so often proves in vain  
Hope seems like a summer bird  
Just swiftly flown  
And now I'm standing here  
My heart's so full, I can't explain  
Seeking faith and speaking words  
I never thought I'd say

There can be miracles  
When you believe  
Though hope is frail  
It's hard to kill  
Who knows what miracles  
You can achieve  
When you believe  
Some how you will  
You will when you believe

Oh, oh

They don't always happen when you ask, ooh  
And it's easy to give in to your fears  
But when you're blinded by your pain  
Can't see your way to get through the rain  
A small, but still, resilient voice  
Says love is very near, oh

(There can be miracles, when you believe)  
Oh, when you believe, oh  
(Though hope is) frail  
It's hard, (to kill) to kill, oh  
Who knows what miracles  
You can achieve  
When you believe  
(Some how you will)  
Some how, some how, some how  
You know, you know  
You will when you believe

You will when you, believe  
Ooh, you just believe  
You will when you, believe
