

Sell me a Coat

David Bowie

La la la la la la, la la la la la la

A winter's day, a bitter snowflake on my face
My summer girl takes little backward steps away
Jack Frost took her hand and left me, Jack Frost ain't so cool

[Chorus]

Sell me a coat with buttons of silver
Sell me a coat that's red or gold
Sell me a coat with little patch pockets
Sell me a coat 'cause I feel cold

And when she smiles, the ice forgets to melt away
Not like before, her smile was warming yesterday
See the trees like silver candy, feel my icy hand

[Chorus]

See my eyes, my window pane
See my tears like gentle rain
That's the memory of a summer day

[Chorus: 2x]

La la la la la la [Repeats]
