David Bowie

Your turn to drive
Thick as a line, out of your mind
You need the time
You're sweet and you're tired, watching the line
Watching the line
You're making my songs, you're making my heart
Your turn to drive
It's all in the songs, it's all in your mind

Your turn to drive
Drive tonight
Drive tonight
You gotta drive
You gotta drive tonight
Drive tonight
Drive tonight

Your turn to drive
You're making my songs, you're making my heart
Your turn to drive
Thick as a line, out of your mind

Your turn to drive
Drive tonight
Drive tonight
You gotta drive
You gotta drive tonight
Drive tonight
Drive tonight
