Love me, love me, love me, say you do

Let me fly away with you

For my love is like the wind, and wild is the wind

Wild is the wind

Give me more than one caress, satisfy this hungriness

Let the wind blow through your heart

For wild is the wind, wild is the wind

[CHORUS]

You touch me,
I hear the sound of mandolins
You kiss me
With your kiss my life begins
You're spring to me, all things to me
Don't you know, you're life itself!

Like the leaf clings to the tree,
Oh, my darling, cling to me
For we're like creatures of the wind, and wild is the wind
Wild is the wind

[CHORUS]

Like the leaf clings to the tree,
Oh, my darling, cling to me
For we're like creatures in the wind, and wild is the wind
Wild is the wind
