

# A Dream

David Choi

One night I had a dream that everyone was happy  
High fives, and people laughing drinking having good times  
Food for all, games to play, everyone, everyday

Hot air balloons, soar into the sky as pillow clouds roll by  
And butterflies go flapping to the rhythm of the happy vibes  
Sun shining, birds flying, melodies, and sacred breeze

People really knew the meaning of peaceful  
All the young and old, everyone was jumping in the swimming pool  
At last, relaxed, its all so perfect

Then I woke up, and looked outside the window for a sunrise  
Rain is falling, a gloomy kind of day, doesn't feel so right  
But she yawns next to me, its love that I see, I do believe this life is a dream
