

Don't Lie To Me

David Coverdale

I've been lied to all my life
It cuts me to the bone but I've survived
Lies and deceptions so hard to see
When I needed you, you turned your back on me

Where were you when I needed you?
Everything you asked of me I tried to do

So don't lie to me
Don't lie to me
Do anything you want but don't lie to me

I was drowning in misery
Behind your painted smile you laughed at me
But I've got your number, it's clear to see
I wouldn't treat a dog the way you treated me

Where were you when I needed you?
Everything you asked of me I tried to do

So don't lie to me
Don't lie to me
Do anything you want but don't lie to me
Don't lie to me
Don't lie to me
One thing I can't stand is when you lie to me

Where were you when I needed you?
Everything you asked of me I tried to do
And all because I trusted you
But you lied to me, you lied

I've been lied to all my life
It cuts me to the bone but I survived
Nothing ever changes, it's still the same
But one day you'll get yours in the lying game

So don't lie to me
Don't lie to me
One thing I can't stand is when you lie to me
Don't lie to me
Don't lie to me
Do anything you want but don't lie to me
Don't lie to me
Don't lie to me
One thing I can't stand is when you lie to me

Don't lie to me
