

Midnight Blue

David Coverdale

in the cold light of the morning
i watch the sunrise slowly dawning
i close me eyes and i see you there
and the silence takes my breath away
i can't stand to face another day
in the evening when the sun goes down
i reach out for you but you're not around
you colour my world midnight blue
so what's a man like me to do
with all the love i feel for you?

come and take me midnight blue
here i am i'm waiting for you
when i'm troubled and all alone
you shine down on me
when i need sympathy sympathy

under streetlights i walk alone
hiding in shadows from dusk till dawn
the taste of your perfume on the cold night air
leaves a sadness hanging over me
the thought of you won't let me be
