

# Only My Soul

David Coverdale

Only my soul, stops me crying  
Wondering why I feel alone  
And only my love keeps me from  
Weeping, so bad  
Giving me strength, to carry on

Lead me on thro` restless waters  
Walk with me along the way  
Live the moment, and tomorrow  
For the Lord will take it all  
On judgment day

Broken dreams lay all around me  
Sad eyed children of despair  
Whispered voices in the distance  
Call me on to who knows where

Lead me on thro` restless waters  
Walk with me along the way  
Live the moment, and tomorrow  
`Cos the Lord will take it all on judgment day  
And the Lord will take it all on judgment day

Hear me crying out for love  
Hear me crying out for love  
I`ll never let you know it  
I can only show it in my song

Only my soul  
Hear me crying out for love  
Hear me crying out for love  
I`ll never let you know it  
I can only show it in my song  
Only my soul...
