

This Is Not Desire

David Ford

This is not desire
This is some north by north-west love
And i am not the one
I won't be there when this shit goes down
You must have noticed it's all coming to an end

Look down from the hill
As London burns to the ground
Another beautiful inevitable tragedy
So you have to see now that it's all coming to an end
I cant believe you don't see that it's all coming to an end

oh
Well i am not the one
oh
Well i am not the one
Desire
Says i am not the one

So you have to see now that it's all coming to an end
And all of the signs say that it's all coming to an end
I cant believe you don't see that it's all coming to an end

oh
Well i am not the one
Well i am not the one
Not the one
I am not the one
