

# Heart, It's All Over

David Gates

Heart its all over; I can feel what you're goin' though.  
Heart it's all over, yes I know I'm gonna miss her too, but, she never told me  
I had to learn that we just weren't good enough, now it's over

I should have warned ya, it might not work and you just might break.

Now I fore Lorne ya, Yes I know it was my mistake but  
Who hasn't tried it, I wanted love that was slightly out of reach.

Now it's over, it's all over.

No matter how hard I tried I couldn't seem to keep her satisfied

No matter what I went together could've, always been a little better.

I couldn't make it fast enough-

the money, the money wouldn't last enough.

I couldn't keep her satisfied no matter, no matter, how hard, how hard, I tried.

Heart it's all over, you and me on the streets again

Starting all over, seems like here's where we just came in

But some bodies waiting, but just goin' now well it hurts too much to look

Cause it's all over.

It's all over.

Heart its all over now it's all over now

Heart its all over

Heart it's all over heart it's all over

Heart its all over

Heart it's all over It's all over

Heart its all over

Heart it's all over

Ah heart.
