Fallin' In Love

David Hasselhoff

Baby, baby fallin' in love Fallin' in love again Baby, baby fallin' in love Fallin' in love again

I could never see What fate had planned for me And then you came And made my dream

This man's reality, maybe you can see All the things you meant to me But my simple fate is at the gate And girl you've got the key

Baby, baby fallin' in love Fallin' in love again Baby, baby fallin' in love Fallin' in love again

It seems like yesterday You and I first felt this way But now I know our love can grow In each and every day

We lay at midnight's hour And feel love's hidden power So strong and bold as love unfolds It's mystery to me

Baby, baby fallin' in love Fallin' in love again Baby, baby fallin' in love Fallin' in love again

baby Fallin' in love again

Baby, baby fallin' in love Fallin' in love again Baby, baby fallin' in love Fallin' in love again

Baby, baby fallin' in love Fallin' in love again Baby, baby fallin' in love Fallin' in love again

Baby, baby fallin' in love Fallin' in love again...
