Go away little girl

David Hasselhoff

Go away, little girl Go away, little girl I'm not supposed to be alone with you

I know that your lips are sweet But our lips must never meet I belong to someone else, and I must be true

Oh, go away, little girl Go away, little girl It's hurtin' me more each minute that you delay

And when you are near me like this You're much too hard to resist So, go away, little girl, before I beg you to stay

It'll never work out When you are near me like this You're much too hard to resist

So, go away, little girl Call it a day, little girl Oh, please, go away, little girl Before I beg you to stay
