

# Pina Colada Girl

David Hasselhoff

Pulled up in my brand new car,  
Catch your smile across the bar,  
All the boys beside her try to buy her but they won't get far,  
Raise a class and look my way,  
Pretty baby make my day,  
Tell me what you're drinking, 'cause  
I'm thinking that it's time to play.

Do you want me shaken, or stirred?

Piña Colada girl,  
you make the boys go uhh  
And when the sun goes down,  
you make my world spin round.  
Piña Colada girl,  
you make the boys go ahh  
Hey baby don't be shy  
with this Mojito Guy

Yeppaaaah.....  
Pi, pi, Piña Colada  
Yeppaaaah.....  
Pi, pi, Piña Colada

Gotta take the chance, I guess.  
Shuffle in and do my best,

Piña Colada girl,  
you make the boys go uhh  
And when the sun goes down,  
you make my world spin round.  
Piña Colada girl,  
you make the boys go ahh  
Hey baby don't be shy  
with this Mojito Guy

Yeppaaaah.....  
Pi, pi, Piña Colada  
Yeppaaaah.....  
Pi, pi, Piña Colada

She takes me by the hand,  
And whispers in my ear  
My sweet Mojito man,  
it's time we disappear.  
She leads me to her room,  
Her body's close to mine  
And next you can assume that it's margarita time.

Come on baby, let's mix it up!

Piña Colada girl,  
you make the boys go uhh  
And when the sun goes down,  
you make my world spin round.  
Piña Colada girl,  
you make the boys go ahh

Hey baby don't be shy  
with this Mojito Guy

Yeppaaaaah.....  
Pi, pi, Piña Colada  
Yeppaaaaah.....  
Pi, pi, Piña Colada  
Yeppaaaaah.....
