

# Who's Leaving Who

David Hasselhoff

Here we are with goodbye in your eyes  
Running out of reasons to try  
The leaves of change have fallen down  
With both of us wondering why

We're all alone but still it seems  
We're thousands of miles apart  
The sands of time have shifted now  
And the end is beginning to start

And I don't know the answer  
'caus I don't know the questions  
I'm just trying 'cause I don't even know

Who's leaving who  
Is it me, is it me, is it you  
Do you think we could change  
If we knew  
Tell me who's leaving who  
Is there anything left we can do  
Can you tell me who's leaving who

Talk to me, is there a chance  
Of working it out heart to heart  
Can we go beyond our angry eyes  
Before everything else falls apart

And I don't know the answers  
'cause I don't know the questions  
I'm just trying 'cause I don't even know

Who's leaving who  
Is it me, is it me, is it you  
Do you think we could change  
If we knew  
Tell me who's leaving who  
Is there anything left we can do  
Can you tell me who's leaving who

And I don't know the answers  
'cause I don't know the questions  
I'm just trying 'cause I don't even know

Who's leaving who  
Is it me, is it me, is it you  
Do you think we could change  
If we knew  
Tell me who's leaving who  
Is there anything left we can do  
Can you tell me who's leaving who

I'm asking you

Who's leaving who  
Is it me, is it me, is it you  
Do you think we could change  
If we knew

Tell me who's leaving who  
Is there anything left we can do
