

Crush

David Hodges

I hung up the phone tonight
Something happened for the first time
Deep inside, it was a rush, what a rush
'Cause the possibility
That you would ever feel the same way about me
Just too much, just too much

Why do I keep running from the truth?
All I ever think about is you
You got me hypnotized, so mesmerized
And I just got to know

Do you ever think when you're all alone
All that we can be, where this thing can go?
Am I crazy or falling in love?
Is it real or just another crush?
Do you catch a breath when I look at you?
Are you holding back like the way I do?
'Cause I've tried and tried to walk away
But I know this crush ain't going away
Going away

Has it ever crossed your mind
When we're hanging, spending time, girl
Are we just friends? Is there more, is there more?
See, it's a chance we've gotta take
'Cause I believe that we can make this into
Something that will last, last forever, forever

Do you ever think when you're all alone
All that we can be, where this thing can go?
Am I crazy or falling in love?
Is it real or just another crush?
Do you catch a breath when I look at you?
Are you holding back like the way I do?
'Cause I've tried and tried to walk away
But I know this crush ain't going away
Going away

Why do I keep running from the truth?
(Why do I keep running?)
All I ever think about is you
You got me hypnotized
So mesmerized
And I just got to know

Do you ever think when you're all alone
All that we can be, where this thing can go?
Am I crazy or falling in love?
Is it real or just another crush?
Do you catch a breath when I look at you?
Are you holding back like the way I do?
'Cause I've tried and tried to walk away
But I know this crush ain't going away
Going away
Going away
It ain't going away, away, yeah
