

## Distant Lullaby

David Hodges

place far away calls my name  
back to the ocean  
just throw all we've got in a box  
we don't need it where we're going  
let's fall asleep to a distant lullaby  
wake up and be where the water meets the sky  
we can sail to the end of the world  
ooh, ooh  
out in the dark  
steal the stars  
put them in our pocket  
just hold on to this  
I can tell you [...]  
I know that we've got it  
let's fall asleep to a distant lullaby  
wake up and be where the water meets the sky  
we can sail to the end of the world  
ooh, ooh  
na na na na na na na na na na  
ooh, ooh  
na na na na na na na na na na  
place far away calls my name back to the ocean  
let's fall asleep to a dream we used to know  
wake up and see that we finally made it home  
we can sail to the end of the world  
we can sail to the end of the world  
we can sail to the end of the world
