

He is running

David Hodges

Hope is waning
Fear is gaining
I'm lost in a world where angels dare to tread
In darkness I search for
The echoes of The savior
The Shepard seems so far from this lamb
So far from where I am

And all this time
I was searching for something
But I'm so far from where I used to be
And all the way
While I am running
He is running to me

Fearing rejection
Ignoring salvation
But all that he wants is for me to be by his side
And that's why he died

And all this time
I was searching for something
But I'm so far from where I used to be
And all the way
While I am running
He is running

I lift my eyes
And I can finally hear His call
And from the start
His love has been there through it

All this time
I was searching for something
But I'm so far from where I used to be
And all the way
While I am running
He is running to me
He's running to me...
