

Make This Church Your Home

David Hodges

Jesus we come to you
Praying that you'd bless our worship
In ways only you can do
Hearing us in this place
Open our eyes to your glory
Fill us with the power of your grace
For we long for your embrace

And Jesus come and make this church your home
Father come and lead us to your throne
Spirit may we trust in you alone
Jesus make this church your home

Bowing before your throne
Offering praise to our maker
Giving thanks to you alone
With hands lifted to the sky
Rain down your mercy upon us
Showering our lives
From on high
Oh lord, hear our cry

And Jesus come and make this church your home
Father come and lead us to your throne
Spirit may we trust in you alone
Jesus make this church your home

And Jesus come and make this church your home
Father come and lead us to your throne
Spirit may we trust in you alone
Jesus make this church your home
Jesus make this church your home...
