

That's All I Want From You

David Houston

A little love that slowly grows and grows not one that comes and goes

That's all I want from you

A sunny day with hopes up to the sky a kiss and no goodbye

That's all I want from you

Don't let me down oh show me that you care

Remember when you give you also get your share

Don't let me down I have no time to wait

Tomorrow might not come when dream is dreamed too late

A little love that slowly grows and grows not one that comes and goes

That's all I want from you

Don't let me down oh show me
