

Crazy Clown Time

David Lynch

Molly had her rip shirt
Molly had her rip shirt
Suzy, she ripped her shirt off completely
Oh, Molly had her rip shirt
Oh, Molly had her rip shirt
Suzy, she ripped her shirt off completely
Then he poured the beer
Then he poured the beer all over Sally
Then he poured beer
Then he poured the beer all over Sally
Then he poured beer
Then he poured beer
Then he poured the beer all over Sally
Ah, ah
Buddy screamed so loud, he spit
Buddy screamed so loud, he spit
We all ran around the back yard
We all ran around
We all ran around the back yard
It was crazy clown time
Crazy clown time
It was crazy clown time
Crazy clown time
It was crazy clown time
It was real fun
Diddy and his hair,
Diddy and his hair
I'm fire! Oh, oh, oh!
Danny spit on Suzie

Bobby sat and drunk two beers
Kimmy jumped all around, so high
Oh, oh, oh!
Molly had her rip shirt
Suzie had hers off completely
Molly getting her rip shirt
Suzie had hers off completely
Danni poured beer all over
Bobby screams so loud and spit
Bobby screams so loud and spit
No one around
They all run around
They all run around
Oh, it's crazy clown town!
It was really fun!
It was real fun, oh!
