

# Forgiveness

David Nail

I can't lie  
It's hard to hear  
After all we've shared  
After all these years  
I don't know  
What I'm supposed to say  
What I'm supposed to feel  
Seeing you this way

I wish I held the answers  
To all the questions in your mind  
Wish I could say it will get better  
But I can't look at you and lie  
I know I've had my share of troubles  
So who am I to give advice  
But if you ain't felt forgiveness  
Seems like now's the time

There was a time  
You could've called and I would've dropped everything to break  
your fall  
But times change, like people do

And any times we had, they've long been through

I wish I held the answers  
To all the questions in your mind  
Wish I could say it will get better  
But I can't look at you and lie  
I know I've had my share of troubles  
So who am I to give advice  
But if you ain't felt forgiveness  
Seems like now's the time

I'll (say a prayer for you)  
I'll (that's the best I can do)  
I'll (smile and say goodbye)

I can't lie  
It's hard to hear  
After all we've shared  
After all these years
