

I Won't Let You Go

David Nail

I know better
Still wish it were easier
Back and forth, the up and down
Caught up in a moment
The words start flying
And we go round and round and round
No sign of a finish line
Never a real last time

I know that this is hard to do
You loving me, me loving you
So long since we have felt brand new
But I won't let you go
I wish I knew the reasons why
The scenes we only falsified
No matter who is wrong or right
I won't let you go
I won't ever let you go

You say that it's over
Can't go on any longer
Trying to be the perfect wife
So sick of tomorrow
Oh, it never changes
Hell, I even hate myself sometimes
But I swore till my dying day
I swear that won't ever change

I know that this is hard to do
You loving me, me loving you
So long since we have felt brand new
But I won't let you go
I wish I knew the reasons why
The scenes we only falsified
No matter who is wrong or right
I won't let you go
I won't ever let you go

I know that this is hard to do
You loving me, me loving you
So long since we have felt brand new
But I won't let you go
I wish I knew the reasons why
The scenes we only falsified
No matter who is wrong or right
I won't let you go
I won't ever let you go

I know better
Still wish it were easier
Back and forth, the up and down
