

Lie With Me

David Nail

I felt this coming for a month or two
You don't look at me like you used to do
Still when you leave it's gonna be too soon
Give me a minute while we're still in it

Lie with me
Hold me like you mean it
Kiss me like you're loving only me tonight
Make me
Feel like it ain't over
Go a little slower baby one last time
It ain't the truth that's gonna set me free
Come on, come on
Lie with me

Go put your favorite Mayer record on
Do what you need to feel it all night long
Make me believe you ain't already gone
Let's take our last time, make it our best time

Lie with me
Hold me like you mean it
Kiss me like you're loving only me tonight
Make me
Feel like it ain't over
Go a little slower baby one last time
It ain't the truth that's gonna set me free
Come on, come on
Lie with me

Love me like you mean it
Like you're in it
You owe me that much now
Don't leave me here with nothing
Give me something
Baby, what's the rush now?

Lie with me
Hold me like you mean it
Kiss me like you're loving only me tonight
Make me
Feel like it ain't over
Go a little slower baby one last time
It ain't the truth that's gonna set me free
Come on, come on
Lie with me
Lie with me
