

Oh, Mother

David Nail

Hello mother
It's good to hear your voice
Yeah I'm fine
Better than I've been

Oh, mother
One more day of thirty-nine
Can't believe it
Sure wish I didn't feel it

I'm on my way to California
I just need to see the sun
Ain't so much about the weather
But the demons I just can't outrun

I don't mean for you to worry
It's nowhere I ain't seen before
I just had to say
Ain't no one else to blame
If I don't make it out this storm

Mother
Ain't nothing that you did
Nothing that you said
Just all I've ever known

I'm on my way to California
I just need to see the sun
Ain't so much about the weather

But the demons I just can't outrun

I don't mean for you to worry
It's nowhere I ain't seen before
I just had to say
Ain't no one else to blame
If I don't make it out this storm

Oh, mother

I'm on my way to California
I just need to see the sun
Ain't so much about the weather
But the demons I just can't outrun

I don't mean for you to worry
It's nowhere I ain't seen before
I just had to say
Ain't no one else to blame
If I don't make it out this storm

Oh, mother

It's good to hear your voice
Yeah I'm fine
Better than I've been
