

Let's Say Goodbye Tomorrow

David Ruffin

You've come to tell me girl, that I must walk away from love.
Give up all my love for you, a love I've had for so long.
I can't let you walk away without calling out your name.
Telling you I need you girl, how can you leave me baby

Let's say goodbye tomorrow
Wait one more day before you break my heart
Just give me 20-24 hours honey
One happy day before you break my heart

In the name of love, I've asked you girl, please stay here one
more day
Don't say you can't give me a chance, I can find a way
Show you that it's wrong of you, to say you want to leave
I'm the love you looking for, girl you can find in me... so

Let's say goodbye tomorrow
Wait one more day before you break my heart
Just give me 24 hours honey
One happy day before you break my heart

Do I have to beg?
Do I have to cry?
Do I have to get down on my knees and ask you why?

Oh,
If I haven't changed your mind, please let me try once more
To put sweet love into your heart, the way it was before
Put yourself in my place girl and understand a pleading man
And remember the love,
The way it was
Help me save it if we can
