

# Numb

David Usher

Hey, have you fallen off the shelf?  
Can I help you get yourself, back together?  
I'm so tired, can I help you save yourself?

Have your friends all changed?  
All the people that you thought would be around,  
As your light goes grey,  
Are you losing all the hope you thought you'd found,  
I think we're numb (3x)

Hey, have you found somebody new?  
Have you found yourself unglued, for the first time in your life?  
Can I help you save yourself?

Have your friends all changed?  
All the people that you thought would be around,  
As your life goes grey,  
Are you losing all the hope you thought we'd found,  
I think we're numb (6x)

And tell me do you feel like dying?  
Tell me does it hurt just waking?  
Tell me have you lost the reasons you ever wanted to fight?  
Has it left you lonely?  
Tell me do you pray for morning?  
Tell me does it hurt just waking?  
Tell me have you lost the reasons you ever wanted to fight?  
And you know it's all impossible.

And nothing feels the same,  
Life is full now,  
Every morning when the light comes in,  
Everybody sings the same song tonight,  
Better fly away, yeah

Have your friends all changed?  
All the people that you thought would be around,  
As your light goes grey,  
Are you losing all the hope you thought you'd found,  
I think we're numb. (9x)
