

# Walls

Dawes

Some days are diamonds  
Some days are rocks  
Some doors are open  
Some roads are blocked

Sundowns are golden  
Then fade away  
But if I never do nothing  
I'll get you back some day

'Cause you got a heart so big  
It could crush this town  
And I can't hold out forever  
Even walls fall down

All around your island  
There's a barricade  
That keeps out the danger  
That holds in the pain

Sometimes you're happy  
Sometimes you cry  
Half of me is ocean  
Half of me is sky

But you got a heart so big  
It could crush this town  
And I can't hold out forever  
Even walls fall down

Some things are over  
Some things go on  
Part of me you carry  
Part of me is gone

But you got a heart so big  
It could crush this town  
And I can't hold out forever  
Even walls fall down

You got a heart so big  
It could crush this town  
And I can't hold out forever  
Even walls fall down...
