

# Little Stranger

Dawid Podsiadło

Hey there little stranger  
There're questions I need to ask  
How do you say "I'm sorry"  
How can you earn back somebody's trust

You must think I'm crazy but I get it that it's hard  
You see there's a person I've really hurt

Hey there little stranger  
You're right I don't even know your name  
Such a mysterious creature  
I've stumbled upon my way

What is the answer can you tell  
I swear I feel like I've never felt  
I look around and there's no one here  
Don't tell me you're just another one of my dreams

The walls are crushing the windows open and I fall  
Flying through all the mistakes I have done  
I see it clearly all of the disappointed faces  
I see the damage I've caused in their own spaces

I was a liar I was not worth of being trusted  
I was a mugger, like of this people stole their hearts and  
now I know that's why I am alone  
Hey little stranger thank God you're finally home

I think you've got me in a place you wanted to  
You were meeting me I was not meeting you  
It's time to end only one thing left for me  
I need to wake up from my flawless dream

Hey little stranger  
I think I get it now
