

Abyss

Dawn of Ashes

Behind this face - is negative
Behind your back - you're a piece of shit
So what if I don't care
So what if I wish you were dead
Scarred up and bruised
Left alone to hate
This blood is sour
Genocide is the deadliest power

Chorus:

You're a piece of shit, your nothing
You make me sick
Human waste rotting away repeat

Fuck you - I don't care
Breathing statues left to burn
Fuck you - I don't care
Sour bitch breeding death
