

# Fuck Like You're In Hell

Dawn of Ashes

Diluted water soaked in poison. Cold & wet...Your welts are so cold. Imprinted scars drawn by jaws. The needed hole, calling "thee a sadist".

[Chorus:]

Erase...I am the flesh to desecrate.  
Emotionless...Fuck me like you're in Hell.  
Starve upon...Rip purity apart.  
Desensitize...Fuck like you're in Hell.

There is indulgence...Design by corruption.  
There is filth...Stitching my perverted flesh.  
There is sex...Taste the blood on my lips.  
Taste the lust...Fuck me like a Devil.

Diluted water soaked in poison. Beneath & wet...your flesh is so cold. Dirty whore sworn to seduction.  
The needed hole, begging "to be a masochist".

[Chorus:]

Erase...I am the flesh to desecrate.  
Emotionless...Fuck me like you're in Hell.  
Starve upon...Rip purity apart.  
Desensitize...Fuck like you're in Hell.
