

Sacrilegious Reflection

Dawn of Ashes

VIII) Sacrilegious Reflection

I am the Judas worm!
Awakened from a sacred sleep.
Defiling the light in spiritual suicide, I have unblessed strength!
Through self made demise,
Killing myself for the principles of blasphemy!

I am pure corruption!
I have reasons against God!
I preach mystique hate!
I reveal my sacrilegious reflection!

I am the Judas worm!
Pledging this necessary evil.
A burial made for kingdoms of divine swine.
Sovereign perfection!
Justify the ways of darkness.
Free myself to obtain self power.

I am pure corruption!
I have reasons against god!
I preach mystique hate!
I reveal my sacrilegious reflection!

I shall embrace the razors to slit all Holy veins!
I shall perish the sanctum to end the weakness of faith!
I am truth and reality!
You are parasites of a worthless fucking fable!
