

## Sleep Paralysis

Dawn of Ashes

Wake me up from these visions of lies  
I don't want to be here  
Tell myself that this can't be real  
I fear what's coming next  
I'm bleeding in the brain  
I wish this would end  
I'm tired of being here to watch your mistakes  
Wake me the fuck up  
Wake me the fuck up  
Wake me the fuck up  
Needle in the eyes  
forced to see it all  
Truth within the lies  
Society is a joke  
Needle in the eyes  
forced to see it all  
Truth within the lies  
Society is a joke  
Wake me the fuck up  
I'm tired of looking at your face  
Wake me up from these visions of lies  
I don't want to be here  
Tell myself that this can't be real  
I fear what's coming next  
I'm bleeding in the brain  
I wish this would end  
I'm tired of being here to watch your mistakes  
Wake me the fuck up  
Wake me the fuck up  
Wake me the fuck up  
Needle in the eyes  
forced to see it all  
Truth within the lies  
Society is a joke  
Needle in the eyes  
forced to see it all  
Truth within the lies  
Society is a joke
