

# The Spirit Of Anger

Dawn of Ashes

Can you calibrate the strength of your fist?  
Do you spit fire from your vocal cords?  
Is your mind as sharp as a knife?  
Get pissed

Were you reborn in Hell?  
Did you poison your blood with aggression?  
Do you fight for individuality?  
Stand up and fight and get fucking pissed!

The spirit of anger  
The spirit of anger  
The spirit of anger  
The spirit of anger

A heart that is full of thorns  
Passion of the fire  
The bolting force of chaos  
It burns forever

The spirit of anger  
The spirit of anger  
The spirit of anger  
The spirit of anger

A heart that is full of thorns  
Passion of the fire  
The bolting force of chaos  
It burns forever

The spirit of anger  
The spirit of anger  
The spirit of anger  
The spirit of anger

A heart that is full of thorns  
Passion of the fire  
The bolting force of chaos  
It burns forever

The spirit of anger  
The spirit of anger
