

Turn It Shallow

Dawn of Ashes

Black Eye Of The Beholder
Emotional Slave Torn By Rejection
Wetted Infliction By This Circe Of Insanity
Cycling Around This Sick Obsession

You'll Never Be Good Enough
Dissected And Force Fed With Your Own Flaws
You'll Never Be Good Enough
Rejected And Beaten With Your Own Dirty Flaws

And You're Not Good Enough
And You're Not Good Enough For Me

Turn It Shallow
Hurting Another Victim From This Compulsive Disorder
Turn It Shallow
Stare Into Her Eyes And Make Her Feel Worthless
Turn It Shallow
Obsessively Trying To Paint That Perfect Picture
Turn It Shallow
Ruin Another Life Because It's Never Good Enough

And You're Not Good Enough
And You're Not Good Enough For Me
And You're Not Good Enough
And You're Not Good Enough For Me
And You're Fucking Worthless

Ruminating Each Piece That Tears You Down
Beating You Down With Each Piece Of Ugliness
Can You Feel The Emotional Abuse?
Watch This Fade Away While It Turns Into Resentment

You'll Never Be Good Enough
Dissected And Force Fed With Your Own Flaws
You'll Never Be Good Enough
Rejected And Beaten With Your Own Dirty Flaws

Turn It Shallow
Hurting Another Victim From This Compulsive Disorder
Turn It Shallow
Stare Into Her Eyes And Make Her Feel Worthless
Turn It Shallow
Obsessively Trying To Paint That Perfect Picture
Turn It Shallow
Ruin Another Life Because It's Never Good Enough
