

Black Lipstick

Dawn Richard

I was looking for something
Or maybe someone
Hope a relation
Or revelation
She smelled of temptation
Made me impatient
I have to see her, hey
I have to see her

She wore black lipstick
Call her renegade
Leather jacket on
Collar high
Couldn't see her face
She ice-skated on my heart
Couldn't feel the blade
I think I'm color blind
Cause I'm bleeding black and grey
Oh baby
Cause I'm bleeding black and grey
She wore
I'm bleeding
She wore

My heart was running
Running, running
Away from love where
She caught me off guard from afar in the distance
Without saying a word from her lips
She had me intrigued

Cause I'm bleeding black and grey.

She wore black lipstick
Call her renegade
Leather jacket on
Collar high
Couldn't see her face
She ice-skated on my heart
Couldn't feel the blade
I think I'm color blind
Cause I'm bleeding black and grey
Oh baby
Cause I'm bleeding black and grey
She wore
I'm bleeding
She wore

Oh, I'm blee...

She wore black lipstick
Call her renegade
Leather jacket on
Collar high
Couldn't see her face
She ice-skated on my heart
Couldnt feel the blade

I think I'm color blind
Cause I'm bleeding black and grey
Oh baby
Cause I'm bleeding black and grey
She wore
She wore
